

EUROPEAN TRADE UNION ACTION

AGAINST SOCIAL DUMPING!

AGAINST WORKER EXPLOITATION!

FOR FAIR POSTING!

**The European Federation of Building and
Woodworkers is organising
a trade union action in Luxembourg**

on 16 June 2016, from 9.00 a.m. to 11.00 a.m.

Place: European Convention Centre Luxembourg, Avenue John F. Kennedy.

This is where the European Council of Ministers meeting is being held.

This action will target the Eastern European governments who are trying to prevent equal treatment of workers. The Eastern European governments are against a revised European legislative proposal that calls for equal pay for equal work. Their position is totally unacceptable.

Make your voice heard – come to Luxembourg!
